Dear Elementary Parents and Guardians,

Parent Conferences for elementary students are being held on Thursday afternoon and evening, March 25th and Friday afternoon, March 26th. Please note that we had additional hours for conferences in December so that all of the parents could meet with their child's teacher. During the March conference time we do not have that opportunity. Classroom teachers are trying to schedule as many conferences as time permits and as needs dictate.

The parent conference is an opportunity to review your child's progress in school. It is not a time to discuss next year's placement. Input forms will be sent home before the scheduled conferences and will be included as part of the placement process if received before May 1st. Feel free to contact me if you wish to meet to discuss placement issues.

Please contact the office if you have any questions.

Sincerely,

Maggie Davis
